18 September 1981

MEMORANDUM FOR: Mr. James N. Glerum
Director of Personnel

FROM: Director of Central Intelligence

SUBJECT: Exit Interviews

1. I was depressed by the number of good people leaving for higher pay and, at the same time, encouraged by the positive attitude towards the Agency and their interest in returning here.

2. Will you get together for me, hopefully by Tuesday, 22 September, statistics and percentage of senior people eligible for retirement in each directorate. In addition, I would like a summary that reviews recent exit interviews generalizing the kind of people who are being tempted away by the private sector and the range of the pay and benefits and otherwise in which they improve themselves, together with a columnal listing by name, job, pay status, increase offered and attitude towards the Agency.
